Please note that UK prices vary from time to time due to (particularly) exchange rate fluctuations and special offers.  
Prices are valid at the date indicated but must be confirmed at time of purchase.

## iThink/STELLA University: Software Price List £ Sterling

All Prices are exclusive of UK VAT and Freight (where applicable)

All University purchases require proof of bona fide academic status

S I M U L A T I O N	<b>STELLA and iThink 9.1.3 Faculty/PhD Licences - Individual</b>					In general, choose iThink for business and STELLA for Research and education.  Individual Faculty/PhD Licences are available for academic/teaching staff. One licence is required for each individual user.  Labpacks are multiple licences for student teaching purposes and must be purchased with one main site license - which may be an existing individual licence.  All licences include one year of full online support contract (renewable) and upgrade entitlements.
	Quantity	1	5	10	15	
	Unit price	£ 430	£ 430	£ 430	£ 430	£ 430

	Total price	£ 19	£ 96	£ 192	£ 288	£ 385
D I S T R I B U T I O N	<b>STELLA and iThink Netsim 1.0.2 - Individual and Labpacks</b>					isee NetSim is the next generation in web-based model sharing. With iSee NetSim, you'll quickly and easily publish STELLA and iThink models to the web making them accessible to anyone with a browser.
	Quantity	1	5	10	15	
	Site License	£ 99	£ 99	£ 99	£ 99	£ 99
	Unit price	£ 99	£ 17	£ 17	£ 17	£ 13
	Total price	£ 99	£ 182	£ 265	£ 347	£ 364
	<b>Isee NetSim Server</b>					When you publish a model with iSee NetSim you must publish it to a web server running the iSee NetSim Server software. There are two publishing options: * Forio Broadcast * Your own web server location using NetSim Server
	£ 331					
	<b>Isee .NET Framework</b>					The iSee.NET Framework is a Software Development Kit (SDK) that allows you to extend access to iThink or STELLA models and include simulation engines with your custom-designed software.  The Framework provides developers with a software library of .NET components for programmatic access to the iThink and STELLA model.
	Quantity	1	5	10	15	
	Unit price	£ 99	£ 99	£ 99	£ 99	£ 99
	Total price	£ 99	£ 494	£ 988	£ 1,482	£ 1,976
S U P P O R T	<b>Faculty/PhD Online Support Renewal</b>					isee systems provides technical support and maintenance to customers who own version 9 of the iThink or STELLA software and who own a current technical support plan.  Technical Support is provided by telephone or e-mail and includes software installation support, troubleshooting and general "how-to" questions. Maintenance includes patches, updates, and minor software releases.
	Quantity	1	5	10	15	
	Unit price	£ 66	£ 66	£ 66	£ 66	£ 66
	Total price	£ 66	£ 328	£ 656	£ 985	£ 1,313
T R A I N I N G	<b>Online Training Courses</b>					isee has collaborated with its partners to offer a variety of online training opportunities. Courses range in content from introductory and conceptual (pre-modeling) to more advanced modeling techniques using STELLA and iThink software and organizational learning. For more details about each course, see the iSee website
